

## Apple Almond Rice Cake

Now, I'm not normally one for *rice cakes*. They're not all that filling or flavorful, but recently I started thinking about how they could be used to make quick and easy snacks. All you'd need to do is add some protein and healthy fats along with a bit of flavor.

Here you have a spruced up **apple almond rice cake recipe** that turns your boring old rice cake into a snack that leaves you feeling satisfied!

### Ingredients

- 2 plain rice cakes (brown rice cakes are good too)
- 4 teaspoons almond butter
- 1/4 of an apple sliced thinly

### Instructions

1. Spread half of the almond butter on each rice cake.
2. Top with apple slices.
3. You can optionally add a few raisins or try other nut butter and fruit combos! Peanut butter and banana is also great.
