The Church of St. Catherine celebrates 125 years as a vibrant church community in the grace of Jesus Christ. Generations of faithful have been cherished here at Saint Catherine's. This holy place has become a loving home for countless nations, a beacon of light, and a bedrock of faith. Generations have come to experience here God's divine life and love in Jesus Christ through a wonderful family of faith. God's peoples have gathered and journeyed together mercifully from the baptismal font to the reception of the Communion, the love and joy of the sacrament of their marriage, and the affectional care of those God has called back to himself. The Church of St. Catherine is the alma mater of so many who would go to serve God, family and country. Many speak fondly of their experience of the formation of man and faith in the municipality of Saint Catherine. Generations have been enriched by the dedication and work of the siblings and teachers of St. Catherine's School. Everyone learned about the church's large classroom, the hall sanctified benches where the faithful sat at the feet of the great teacher and shepherd Jesus Christ. Many callings to the priesthood and religious life would rise from the church of St. Catherine to serve the Church all over the world. Many others would live up to the calling of marriage and family life, strengthening the fabric of community life in Norwood and beyond. We thank God for the good he has begun here, and we pray that He continues to thrive his loving work in the lives of future generations. Join us to celebrate this grace that filled life in our Lord.
