

# From My Heart to Yours

Dear Church Family,

How is the start of 2025 going for you? One of the Children's Bible Drill verses this year is "And Jesus increased in wisdom and stature, and in favor with God and with people." (Luke 2:52 CSB) This verse has always intrigued me. Here we find four important areas of life - Mental, Physical, Spiritual and Social. Jesus Christ gives us the best example of a healthy life, increasing in all areas. As I mentioned these past two Sundays, Jesus Christ also set the example of putting God the Father (spiritual life) first each day. When we are right with God, the other areas increase in a healthy direction as well.

Our normal Wednesday Schedule returned this week - January 8th. From Senior Adult Prayer Luncheon at 11:00 a.m. in the Fellowship Hall to ending the day with Adult Worship Preparation in the Music Suite and Choir Loft at 6:30 p.m., it is a full day. There is an opportunity for every age group to be encouraged and strengthened in their faith on this mid-week day. Don't miss our Fellowship Meal beginning at 4:45 p.m.!

Also, this Sunday, January 12th our Sundays@5 courses will begin it's winter trimester. We have three adult classes and Bible Buddies and Bible Drills for children and D-Groups for students. I will be teaching a class in the Fellowship Hall – "Decision Time: Helping people make the six most important decisions in their life". There are people in your life - children, grandchildren, neighbors, friends and acquaintances that need help in times of spiritual crisis. Learn how you can lead them. Also, Nick and Cristi Wolfe will be facilitating a parenting class. Dr. Bill Sones will teach an Ephesians study for men and women. These six weeks will give you a spiritual jumpstart to your growth in Christ.

I also want to thank you for reaching our Lottie Moon International Missions Offering church goal and surpassing our challenge goal for this campaign. You have given so far - \$70,962.68. Praise the Lord.
