

# From My Heart to Yours

Dear Church Family,

We had a wonderful worship service and great summer attendance last Sunday. We also were blessed to witness Benji Cannon make his public profession of faith. We look forward to his baptismal service. This morning, we will begin this worship service with the believer's baptism of Trace Lightsey and Layton Triplett. These young men have displayed an understanding of their need for salvation and love for our Lord Jesus Christ. The Lord has again blessed our church.

Our church has approved the proceeding of our Building on Faith renovation project and securing of the needed funding. Our goal was to have \$1,075,000 before we started the project. We have surpassed that goal. The seed money on hand with our committed funds and BOF pledges, now exceeds \$2,287,627 for this project. We currently have no debt and we want to pay off any building debt as soon as possible. Keep growing in the Lord and give sacrificially to this vital work. The need is now, and the future is promising. All Glory to God.

I am looking forward to hearing what God did in the lives of our Students at Summer Camp this past Week. After a 4th of July break, both Student Ministry and Children's Ministry are taking it up another level. Super Summer Discipleship/Evangelism week for Students and M4 Kids Camp for our Children's ministry. Our Children's Ministry is taking a very large group of 95 children and adults. Let's thank God and pray that the children and youth are blessed beyond measure by these events.

Now today we bring our praises and gratitude for the blessings God has given us through Jesus Christ and the nation we live in. We look forward to the 249th celebration of our nation's Independence this Friday. The United States has made it clear from our founding, that our freedoms come from God our Creator. He alone is the source. He alone is worthy of our eternal praise. May God bless America, as America blesses God.

Today we continue our summer series – When Jesus Sees Us. The exalted Lord Jesus Christ speaks to His churches. What does He see when He sees us? My sermon title is – It's We, Not Me.

People of the Word...People of Prayer

With Love,  
Bro. Greg
