

From My Heart to Yours

Dear Church Family,

There is a fresh wind of the Spirit blowing in my heart. A fire is being stoked from Above for more Evangelism/Discipleship (two sides of the same coin) and Missions that focus on Church planting and making discipleships of the unchurched and lost. And investing more in reaching and ministering to children and teenagers and their parents. This does not in any way mean we should not continue to do the godly works of fellowship and worship and loving one another and praying for one another and serving one another in practical, need-meeting ways. (How 'bout that for a run on sentence.)

But let's face it, many of our members are not carrying out their God-given obligations to the Lord and His church. We can do MORE and we must. We need everyone using their spiritual gifts in and through the Church. I have more joyous and heart-warming experiences serving with you than I could ever tell in a lifetime. But so many are missing out on the abundant life in Christ. They, like Esau, have traded their "birthright for a bowl of pottage." Do you feel the Fire of the Holy Spirit warming your heart?

Can you believe that we are just one short week away from a wonderful worship with the award-winning, Southern Gospel quartet – Gold City! Next Sunday, July 20th, Pastor Nick has invited them to bring a gospel concert to our time of worship. Afterward, our church will provide all those who attend with a grilled hamburger/hot dog lunch. You can have it to-go or enjoy dining in our Fellowship Hall with some added fixings. Our Homebound church members will also be given a meal and a gift. Share our social media invitation from our church page to your page. Invite friends to join you at Sunday School and our 10:45 a.m. worship with Gold City.

Today we continue our summer series – When Jesus Sees Us. The exalted Lord Jesus Christ speaks to His churches. What does He see when He sees us? My sermon title is – The Church You Want to Be – Part Two.

With Love,
Bro. Greg

PS: Our Executive Building Committee had a great meeting with the Architect firm and the Builders. Already adjustments are being made to recently developed HVAC needs in the 2nd floor Education Building. I appreciate our leadership thinking ahead in order to use funds wisely and improve the building. Soon signage will tell you which area will be renovated first. Let's be found faithful.
