### PASTOR SEARCH COMMITTEE UPDATE

The Pastor Search Committee is progressing well with its review of the candidate currently under consideration to serve as our next Senior Pastor. PSC members have spent a considerable amount of time in conversations and meetings with the candidate, his wife and others who know him well, and will continue moving forward in the weeks ahead to fully evaluate the candidate. The PSC members remain excited and united about moving forward with consideration of this man. The candidate has been very gracious with his time and is providing information requested by the PSC, and in turn, the committee has provided information he has requested, as he prayerfully considers whether the Lord is calling him to First Baptist Newnan. The candidate is pleased with the pace and progress of the process and remains very interested in the opportunity to serve as our next Senior Pastor, if called by the Lord. Please continue to pray daily for the PSC members, the candidate and his wife and family, as we all seek the Lord's will in this matter.
