“JESUS VS. GENDER FLUIDITY”

Isaiah 5:20

Big Idea:

Our _____ rests on the solid rock of God's _____, not the shifting sands of self-determination.

1. God's Design Is Rooted in _____

Matthew 19:4

God alone has the _____ to determine the design and purpose of His creation.

In Christ, we find not just clarity, but _____ — the joy of being fully known and fully loved by the One who designed us.

2. God's Design Reflects Humanity's _____

Matthew 19:5

Understanding that you are made in the _____ of God changes everything. It means your worth, your identity, and your purpose aren't up for _____.

Through the complementary union of male and female, life is created, God's image is displayed, and _____ flourishing is achieved.

1 Corinthians 10:31

3. God's Design Reveals True _____

Matthew 19:6

Marriage mirrors God's _____, self-sacrificial and deeply intimate covenant love for His people.

True freedom is not the ability to do whatever we want; it is the ability to live within the _____ of God's perfect design.

John 8:32

Freedom apart from God's truth is an illusion — it leads to confusion, _____, and despair.

Speak the truth but do it with intentionality, _____, and compassion.

True freedom isn't found in _____ ourselves — it's found in surrendering to the One who created us in love.
