Gospel Explosion

The second movement in the symphony of Acts reveals what happens when the gospel advances into hostile territory. This is not the story of comfort, predictability or safety. It is the story of the gospel colliding with darkness, disrupting kingdoms and confronting every force determined to silence it. Make sure to pick up your copy of the second booklet and witness the collision as the gospel ignites under fire.

BLESS OUR SCHOOLS

Our Point Leaders are working with school administration to schedule different opportunities to bless the staff in the upcoming weeks. The most impactful way we have shared the love of Christ has been through our Letters of Encouragement. Many meaningful relationships have formed, and we want to continue strengthening those bonds throughout the new year. Information will be provided through Sunday School classes about collection dates. To learn more about BOSI, visit [fbcnewnan.org/bless-our-schools](https://fbcnewnan.org/bless-our-schools).
