Just because you cannot see God working does not mean that He isn't. You may feel trapped by a health problem, boxed in by struggles in your marriage, or fighting a secret sin nobody else knows about. But if Christ lives in you, you can take courage today. God is not absent, not confused, and not getting it wrong. He is working all around you in ways you may not be able to see. This Sunday we are going to talk about God's divine maneuvering and why you can trust the Father even when you do not understand the road He has you on.
