Big Idea: *"Real life isn't found in getting **more**, but in **giving** all to Jesus."*
Luke 14:25-33

1: Jesus vs. Consumerism (Luke 14:25-27)

Following Jesus means dying to the idea that we are in **control** – dying to our own agenda, our own **dreams**, our own need to run the show.

2. Consumerism vs. Deep Devotion (Luke 14:28-32)

If you're going to follow Jesus, you must **follow** Him to the end. That is real **Christianity**.

3. Consumerism vs. Complete Surrender (Luke 14:33)
