Big Idea: You may not **understand** the road God has you on, but you can trust the Father who is **driving**.

1. Trust God's Plan When You Cannot See: Acts 25:1–5

Truth Bomb: You do not need to know **everything** God is doing to **trust** everything God has said.

2. Trust God's Goodness When You Don't Have Control — Acts 25:6–9

Truth Bomb: You will never enjoy the **peace** of God's sovereignty while **fighting** Him for control.

3. God Maneuvers You Toward Where He Has Called You — Acts 25:10–12

Truth Bomb: You do not need the whole **battle** plan. You need enough faith to **obey** the next order.
