

How To Have A Gospel Conversation
Pastor Joel Engle
July 19, 2026

Big Idea: One **faithful** gospel conversation can **change** someone's eternity.

1. Start With **Respect and Common Ground**

Acts 26:1–11

Truth Bomb: You cannot love someone's soul while treating the person like a project.

2. Be Honest About **Sin and Clear About **Grace****

Acts 26:9–18

Truth Bomb: Sin without grace **crushes** people. Grace without sin **deceives** people.

3. Call People to **Repent and Follow **Jesus****

Acts 26:19–23

Truth Bomb: Repentance is not the price you pay for grace. It is the evidence that grace has taken hold of you.

4. **Share and Trust God for the **Outcome****

Acts 26:24–32

Truth Bomb: You are **responsible** for sharing the gospel, not for making someone **believe** it.
