

Ignore God's Word at Your Own Peril

Pastor Joel Engle

Big Idea: Do not **interpret** God by the wind. Interpret the wind by what God has **said**.

1. The wind **against** you does not mean **God** is against you: Acts 27:1–8
Truth bomb: Resistance is not rejection.
2. The wind **behind** you does not mean God is behind your **decision**: Acts 27:9–20
Truth bomb: Do not confuse an easy path with God's approval.
3. The **storm** around you cannot overturn the **promise** of God: Acts 27:21–26
Truth bomb: God's promise does not mean the **storm** is over. It means the storm will not have the **final word**.
