From Power Up Jr. Lesson 7

Child Leadership Questions:

Jesus was eating with the disciples and wanted to do something for them. What did Jesus decide to do?
(Wash their feet.)

The disciples were confused because this was a job for servants. Which disciple did not want Jesus to wash his feet?
(Peter.)

Jesus knew it was important to do things for other people. What did He tell the disciples to do?
(Go and do things for others like He had done for them.)

Just like Jesus did something for the disciples, we can do things for others. Remember to do good things - big and small - for people around you this week.

OPTIONAL FAMILY ACTIVITY: SECRET FAMILY MEMBER

One day this week, place a picture of all of your family members into a bowl. Allow every family member to choose one picture from the bowl. The picture each family member chooses is the Secret Family Member for each person. Tell your children to do three nice things for his or her Secret Family Member that day. Make sure to tell your children to keep his or her Secret Family Member a secret for the whole day. That night, come together as a family and eat dinner together. While having dinner together, let each person reveal who his or her Secret Family Member was for the day. Remind them that Jesus did something for the disciples when He washed their feet, and Jesus wants us to do things for others, too.
