Child Leadership Questions:

1. Who was traveling in the Leadership Story?
   (Abram and his nephew, Lot.)

2. Abram and Lot separated and made their homes in new lands. War broke out near Lot's home. What happened to Lot?
   (He was captured by the people who won the war.)

3. One of Lot's men escaped and went to Abram. He told Abram everything that happened to Lot. What did Abram do to help Lot?
   (He gathered some men and chased the army. He rescued Lot and the other people.)

OPTIONAL FAMILY ACTIVITY:

Gather your family one morning and tell them that everyone is going to help another family member today. Write each person's name on a piece of paper, then put those papers in a bowl. Have each family member draw out a name. This is the person you will help. Talk about some ways to help each other. At dinnertime, check with all family members to see if they have done something to help the family member who's name they drew that morning. If not, find a way to help the person before going to bed. At bedtime, thank God for giving each person the opportunity to help someone else.
