From Dojo Jr. Lesson 3

Child Leadership Questions:

1. The twelve apostles were very busy praying and teaching others about God, but there was another important thing they had to do. What was it?
   (Make sure the people had enough to eat.)

2. The apostles needed help to feed all of the people, how many men did they choose to help them?
   (Seven.)

3. Because these seven men helped, what happened?
   (Everyone was taken care of.)

4. Imagine that you are at church and it's time to quit coloring a picture. There are crayons all over the table. How can you help?
   (By gathering up the crayons and putting them where they belong.)

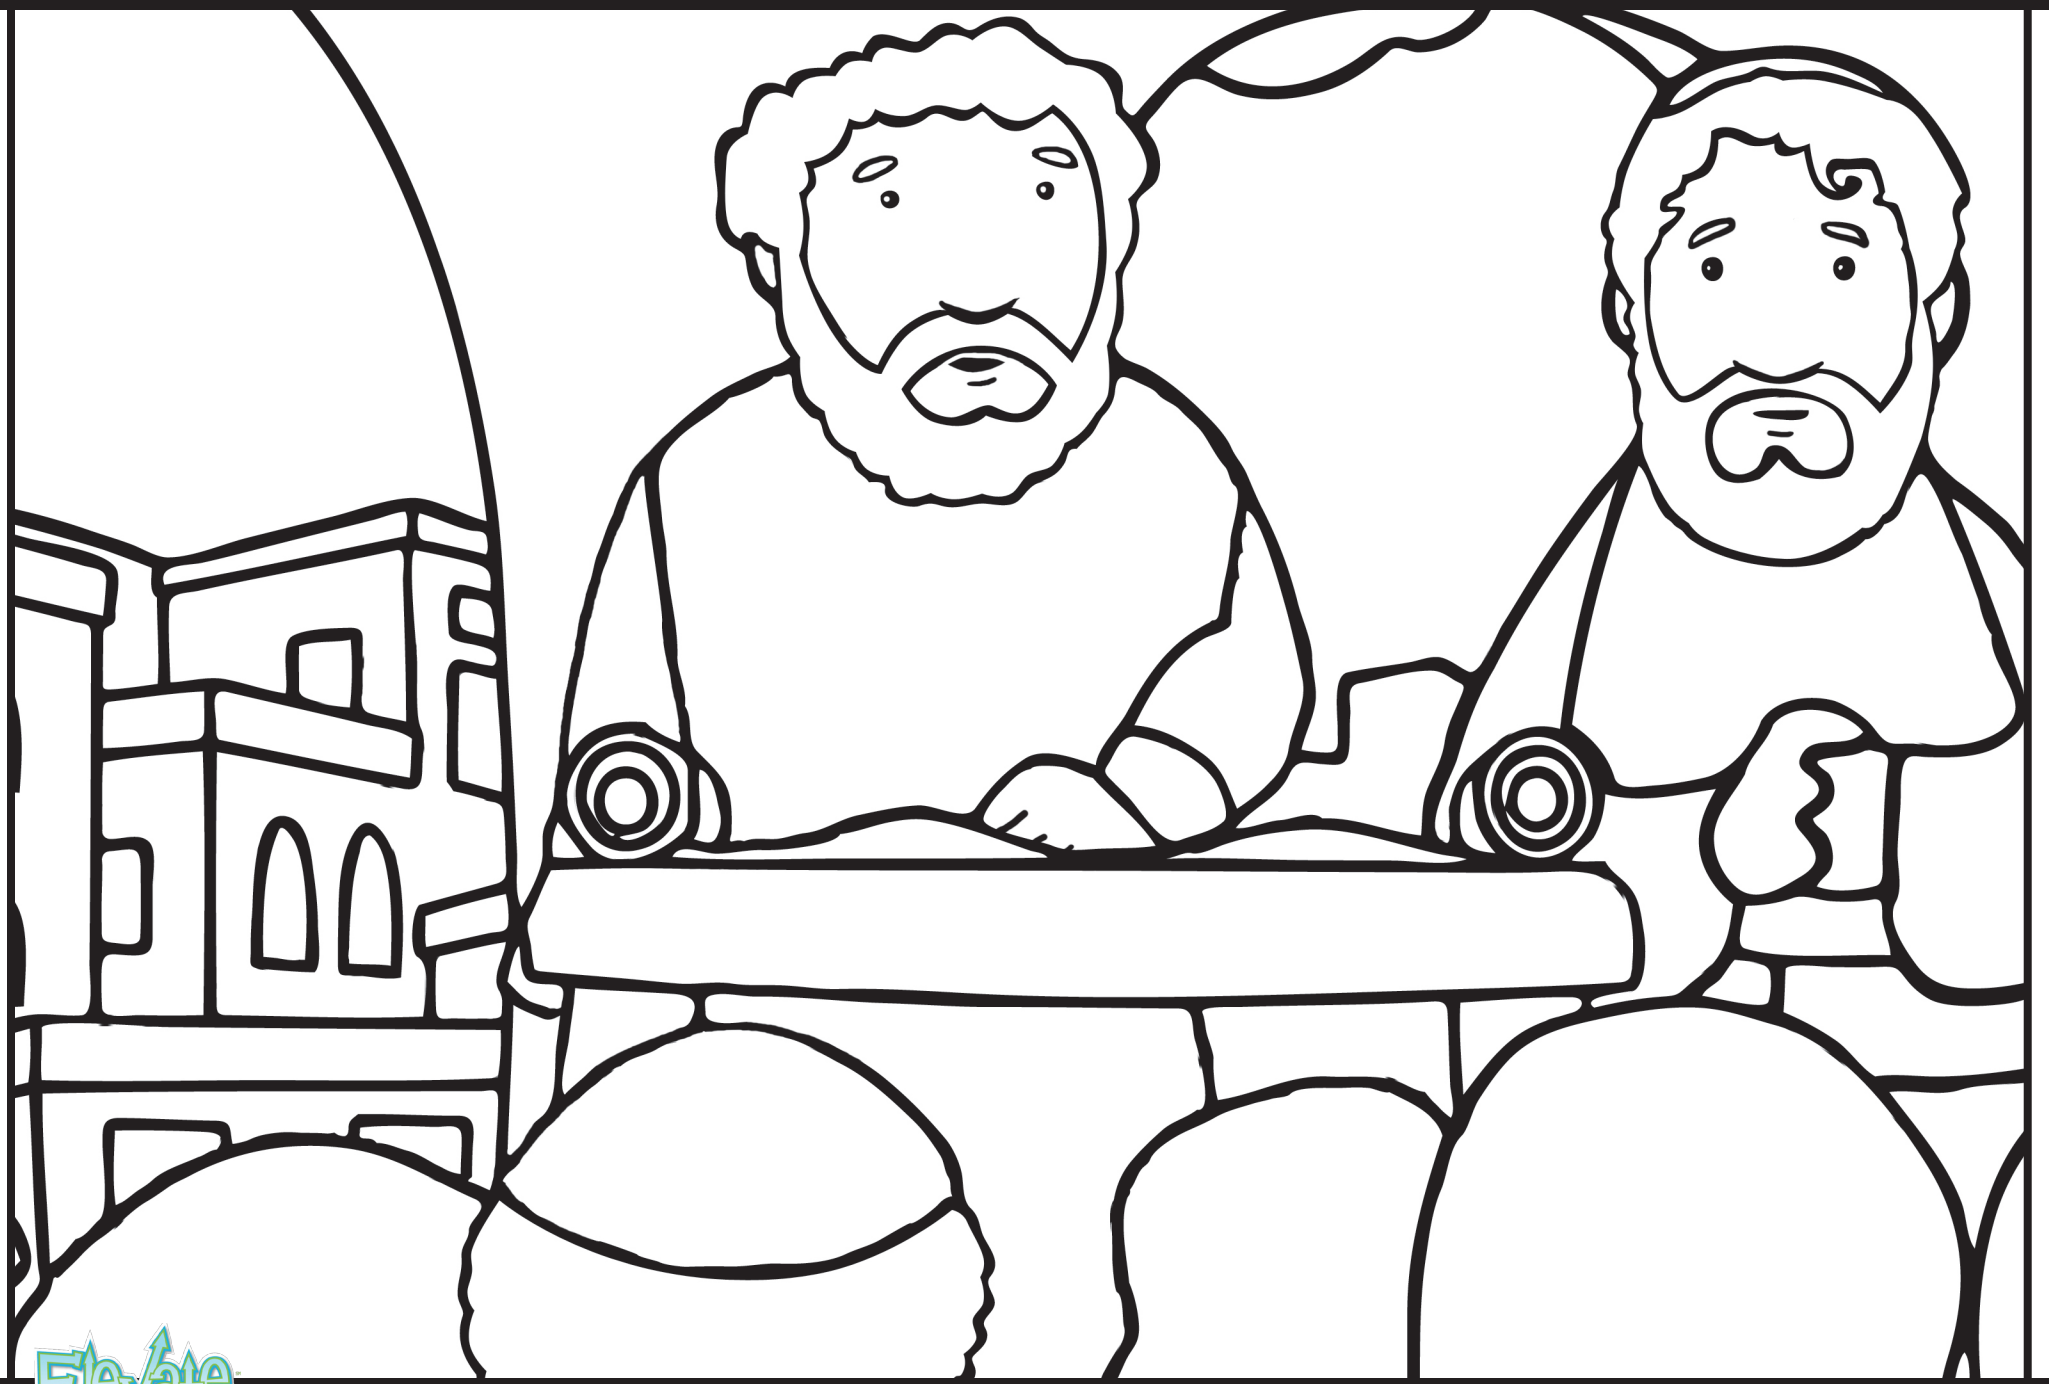

5. Imagine that you see that your brother's room is a mess! Your brother starts to cleanup, but there are toys everywhere! How can you help?
   (By helping pick up his toys.)

OPTIONAL FAMILY ACTIVITY: NEIGHBORHOOD HELPERS

It is important for us to be kind and help others when we see a need. Take a drive or go on a bike ride as a family. While you are out together, pay special attention to your neighborhood and those who live there with you. As you see needs around you, make a list and then decide as a family how you can help. Some neighbors might need help with their yard work, or a local park might need help getting litter picked up. Whatever the needs are that you find, work together as a family to help others. Encourage your children to help others whenever they see a need!
