

Leadership!

From Dojo Lesson 8

LEADERSHIP TRAIT - INQUISITIVENESS

Great leaders use what they have learned and teach it to others.

LEADERSHIP LESSON

Your children will learn that as followers of God we should share what we know about God with others.

LEADERSHIP STORY

Paul's advice to Timothy. (*Acts 16:1-5, 1 Timothy 1:18, 2 Timothy 2:2*)

WHAT DO I DO?

Have your children read the Leadership Story. Next, have your children watch the Leadership Video and complete the Child Leadership Questions. If you want to do the Optional Family Activity, have the whole family watch the Leadership Video, then lead your family through the Optional Family Activity.

OPTIONAL FAMILY ACTIVITY: LEARNING AND LEADING

We learned in the Leadership Story that Paul was teaching Timothy so he could turn around and lead and teach others on his own. When you are a leader it is your responsibility and privilege to teach others what you know. This is especially true when it comes to telling others what you know about God. As a family, make a poster about God. You can draw pictures showing what you know, or write words that explain what you know about God. Remind your children that it is our responsibility to teach others what we know about God. Place the poster somewhere in your house and add to it each time you learn something new about God! As a family make a commitment to tell others about God by telling them about the things on the poster.

MEMORY VERSE:

Help your child memorize this verse.

"And you yourself must be an example to them by doing good works of every kind. Let everything you do reflect the integrity and seriousness of your teaching." Titus 2:7 (NLT)

Leadership!

From Dojo Lesson 8

Main Point: Leadership - I will share what I have learned with others!

Read the Leadership Story in Acts 16:1-5 and Paul's words to Timothy in 1 Timothy 1:18 and 2 Timothy 2:2. When you are finished, watch the Leadership Video. Then, read the items below and write your responses in the space provided.

1. In the video, what is the primary role of a sensei in a dojo?
2. What if the very first sensei never shared what he knew with anyone else?
3. In the Leadership Story, we hear about the leadership of what man?
4. Who was Paul's student in the Leadership Story?
5. What did the teacher say that Paul and Timothy were committed to doing from town to town?
6. Paul didn't have the luxury of using technology to spread the message of Jesus Christ. How did Paul spread the news of Jesus Christ to others without doing it all by himself?
7. Paul and Timothy then began to travel to different cities together and Timothy was able to learn different things from Paul at each city. What two things did the teacher say that Paul and Timothy did in some of the cities?

From Dojo Lesson 8

8. No matter if the situation was good or bad, what did Paul continue to do for Timothy?
9. Even when Paul and Timothy weren't traveling together, did Paul still take time to teach and lead Timothy?
10. How did Paul continue to teach Timothy?
11. What three things did Paul teach Timothy in his first letter to him?
12. Paul didn't just teach Timothy so Timothy could follow him around. Why was Paul teaching Timothy?
13. Paul was a great leader to Timothy because he took the time to teach him. And because Paul taught Timothy, what did Timothy become and what did he do?
14. We should be like Paul and be leaders as well. As we learn about what it means to follow God, what should we do to others?

As a leader we should lead others and teach them what we know about God. Write down names of two friends and what you will tell them about God this week. Pray and ask God to help you to have courage to be a leader.

Memory Verse: Ask your parents to help you memorize this verse.

"And you yourself must be an example to them by doing good works of every kind. Let everything you do reflect the integrity and seriousness of your teaching." Titus 2:7 (NLT)
