This week, plant a seed with your children. It can be any kind of seed. You can plant it indoors or out, as long it will grow into something. Every day, let your children water it with you. Talk about how God made the dirt that the seed is planted in, and the plant that the seed will eventually become.

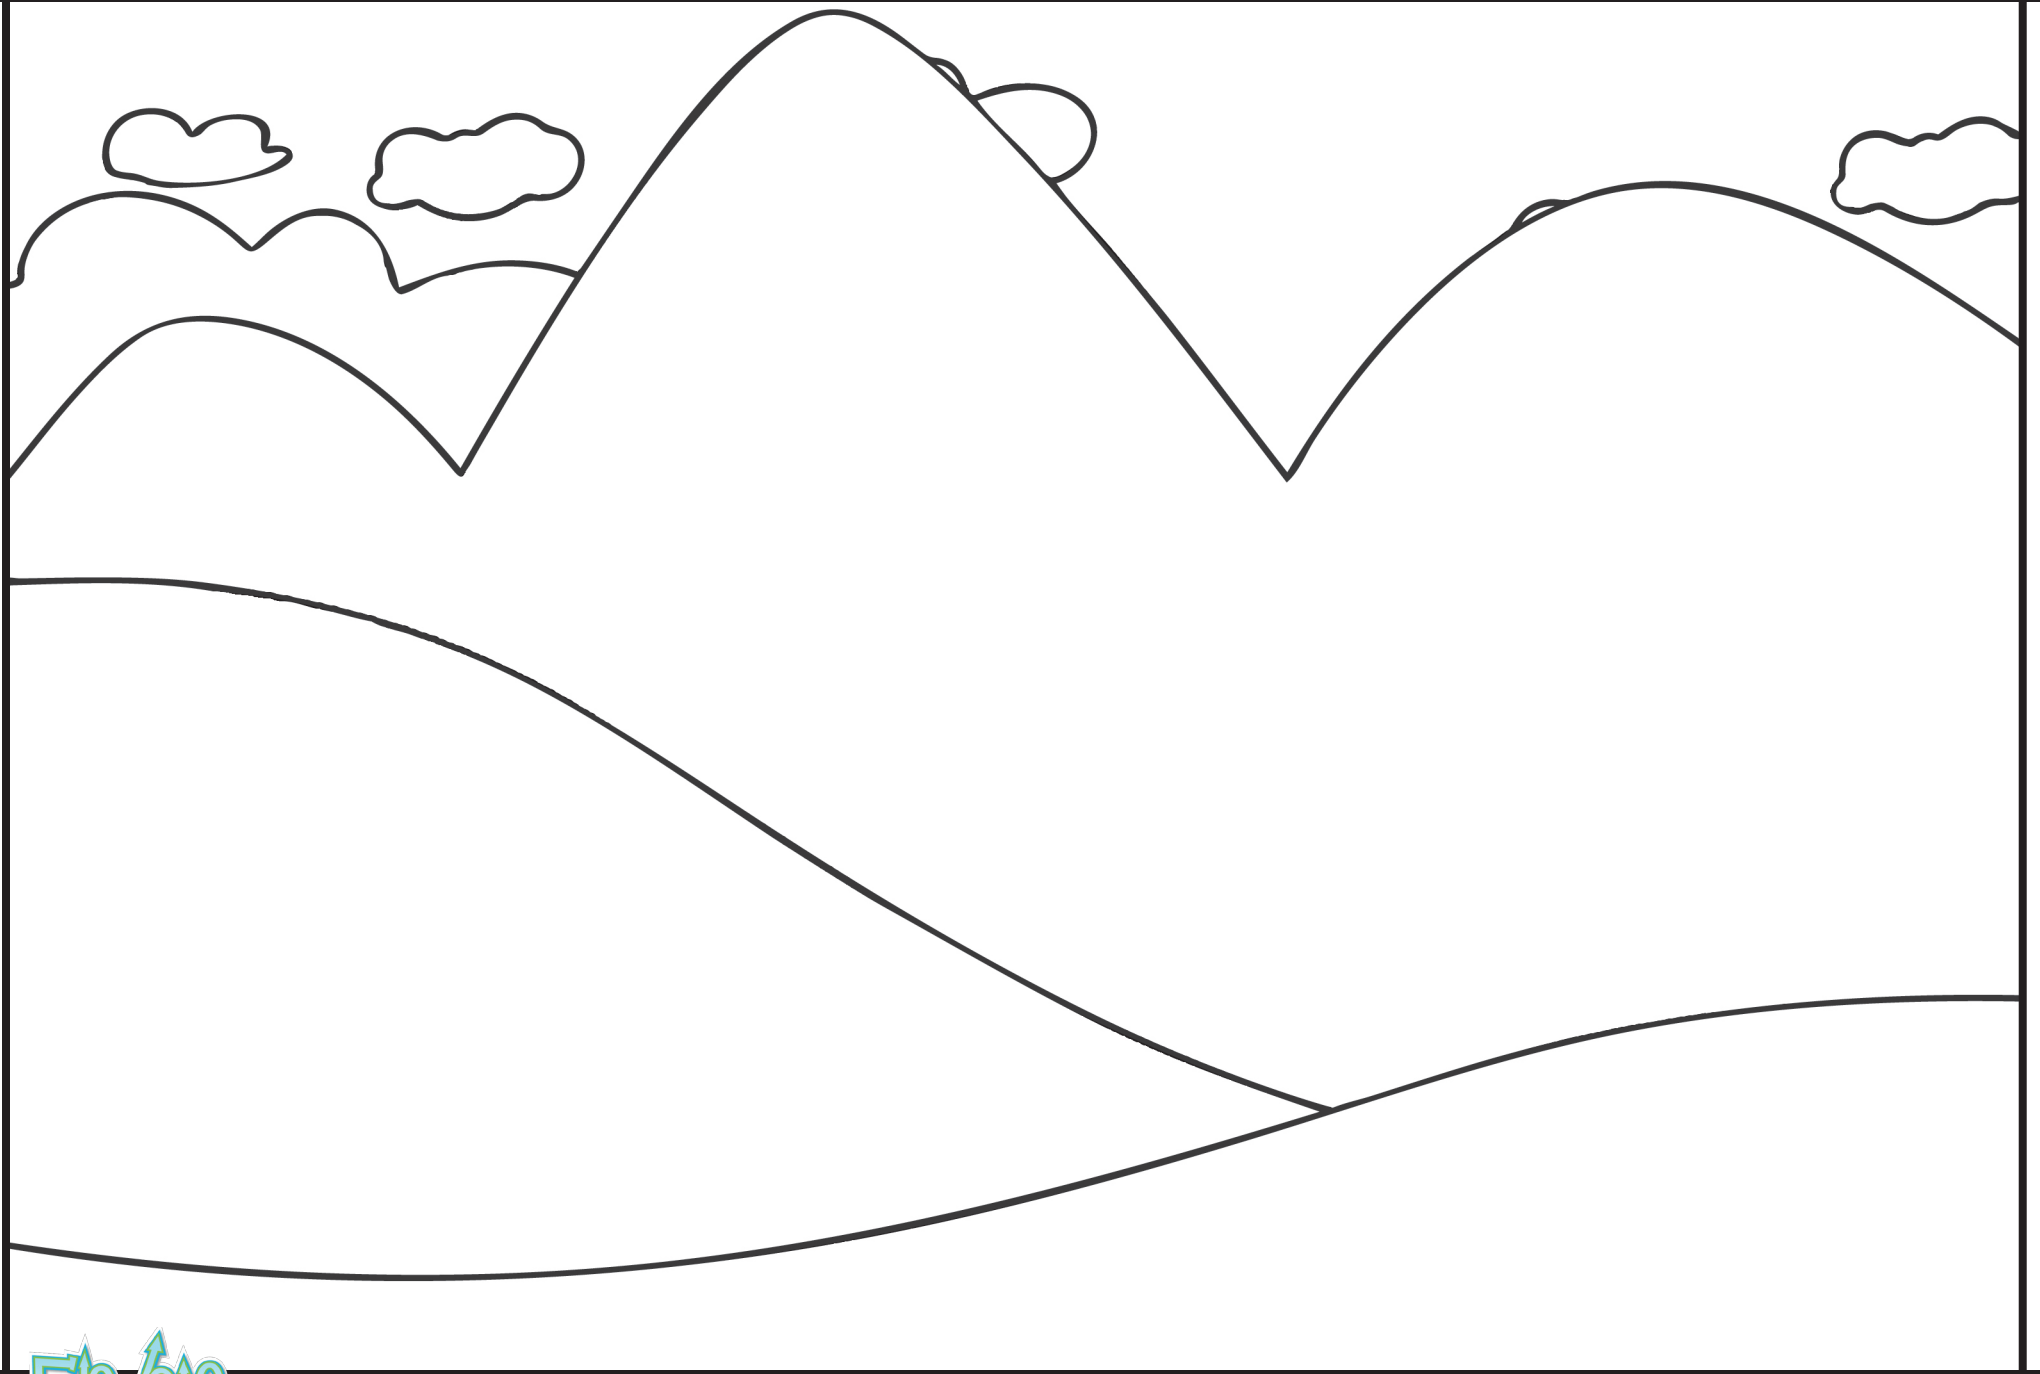

- What are some types of plants that you can think of?
  (Grass. Trees. Flowers. Bushes. Vegetables.)

- Could the plants grow without the land, the dirt?
  (No.)

God made the land and the plants and said that they are good. We can thank God for giving us the land and plants.
