God Made The Animals!

CONTINUED

From Roanoke Jones Jr. Lesson 6

Child Leadership Questions:

1. What kind of animals did God create?
   (Big animals. Small animals. All of the animals!)

2. When God looked at His creation, did He see that it was good or bad?
   (That it was good.)

3. God gave us animals to enjoy. One way to enjoy animals is to have them as pets. If God didn't create animals, could anyone have a pet?
   (No.)

OPTIONAL FAMILY ACTIVITY: COOKIE CORRAL

During one of your children's snack times this week, play a game of Cookie Corral. Get some animal crackers and sort through them together, figuring out what kinds of animals they are, how they are the same, and how they are different. You might have your children organize them by those that have horns or by those that live in the water or out. Afterwards, talk to your children about how no matter what the animals look like or where they live, God made all the animals on Earth.

- How did we organize the animals? *(Ones that have horns. Ones that live in the sea.)*
- Which animal is your favorite? *(Dog. Cat. Lion. Elephant. Giraffe.)*

If God didn't create animals, then no one would have pets and you would not even have a favorite animal! God made the animals, and they are good!
