OPTIONAL FAMILY ACTIVITY: CREATION WALK

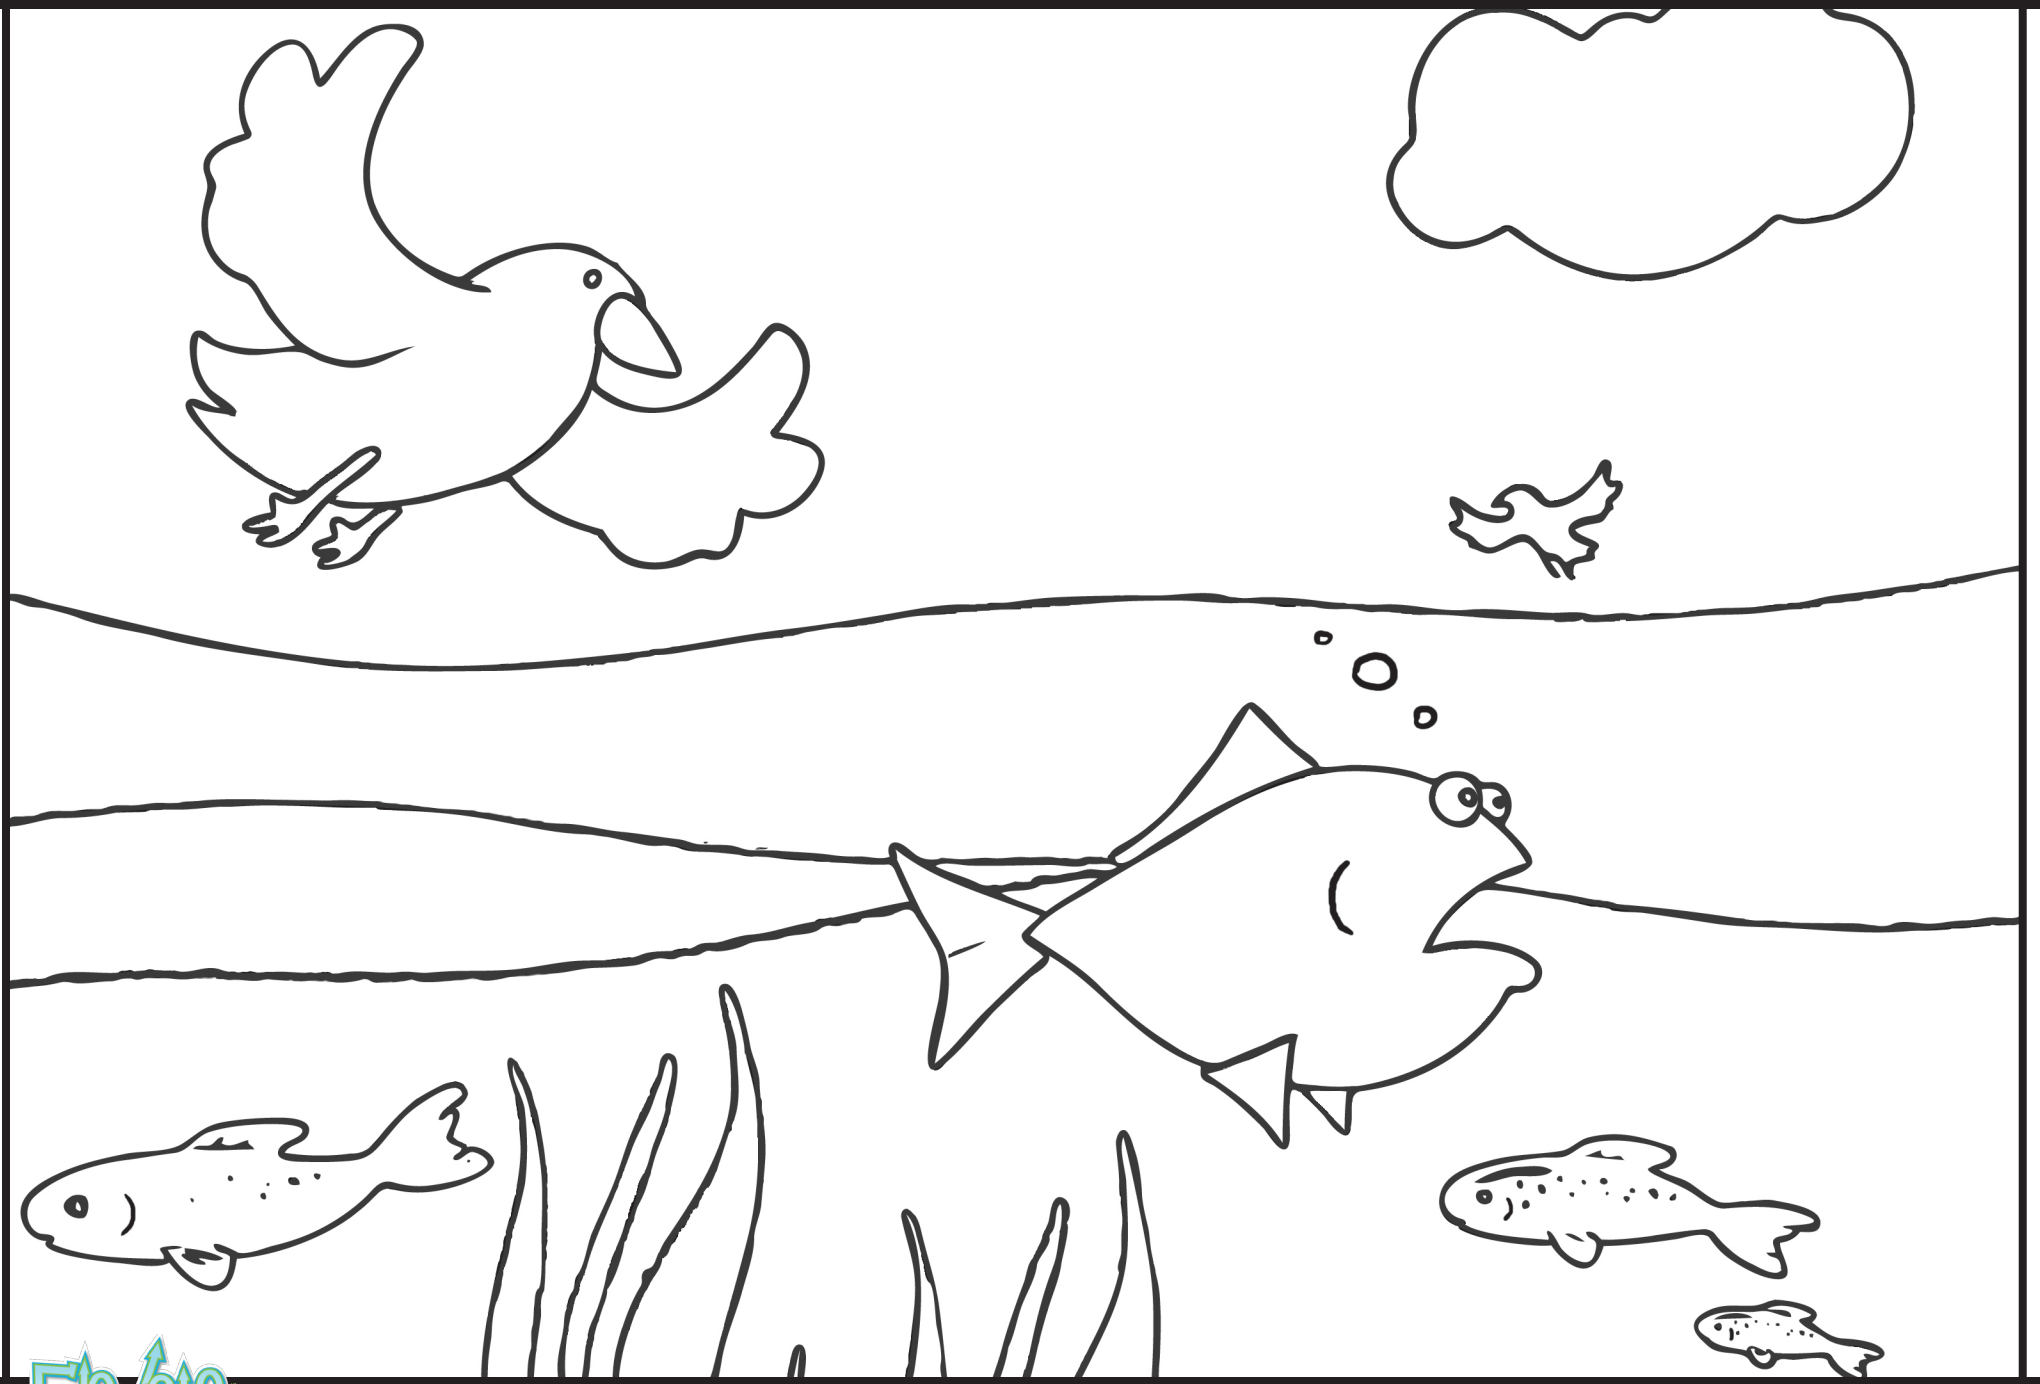

Take a walk with your child this week, and point out all the things you see that God created. Point out the birds, the insects, the trees and flowers, the grass and dirt, and the sky. When you get back home, spend some time praying with your child to thank God for all the wonderful things He created.

- What was your favorite part of God's creation that we saw? *(Light. Sky. Animals. Plants. Sun. Moon. Stars. People.)*
- What would the world be like if God didn't create things like light, animals, or even people? *(The world would be dark. I wouldn't have any pets. We wouldn't even be here. The world would be boring.)*

God made our world and said that it is good. We can thank God for giving us our world.
