OPTIONAL FAMILY ACTIVITY: SHARE MY THINGS

Make a plan as a family to share something with someone else. You can either choose a family to share with or each person can choose a friend to share with. Work together on the plan, and then carry it out together. Once you have shared something, ask the following questions:

- How did it make you feel to share something with someone else?
- What else can you share with others?
- Who can you share with?

Make plans to continue sharing your things with others and make it a way of life for your family. Wrap up conversation by praying and asking God to give you opportunities to share your things with others.
