God Made Me To Praise!

CONTINUED

From Allaso Ranch Jr. Lesson 5

Child Leadership Questions:

1. Who praised God with instruments, by singing and shouting, and by giving offerings?
   (King David and his people.)

2. What did King David teach to all of his people?
   (A song of praise.)

3. We know that we can praise God with instruments, by singing and shouting, and by giving offerings. What are some things you can do this week to praise God?
   (Sing songs to Him, pray, and give an offering at church.)

OPTIONAL FAMILY ACTIVITY: FAMILY WORSHIP NIGHT

Because of who God is and everything He has done, we know that He is the only One worthy of our praise. Plan a special family time of worship one night this week. Have family members come to the night ready to share something as an act of worship. They could play an instrument or sing a special song. They could write a special poem and read it during the worship time. They could share a special piece of artwork that they created or clap while the family sings together. Encourage your children to praise God through prayer, listening as you read the Bible, singing, telling others about Him, and by always giving their very best.
