OPTIONAL FAMILY ACTIVITY: I SPY THE TRUTH

Ask your family to join you in a game of I Spy. In this game, promise that you will always tell your family the truth about what you spy. Begin by choosing an object to spy. Say, "I spy something *(color or description)*," and have your family begin to guess what the object is. Continue to add details to the description of the object and have the family guess each time.

Example:
Clue 1: I spy something that is red.
Guess: It's a ball.
Clue 2: No. I spy something that is red and yellow.
Guess: It's the toy over there.
Clue 3: No, I spy something that is red and yellow and It's also very long.
Guess: It's the fishing pole!

From Great Race Jr. Lesson 5

Once someone has figured out what the object is, remind them you always told them the truth when you were describing the object. Let the person who guessed the Eye Spy object lead the next round. Talk about what would have happened if you hadn't told the truth in the game. Would the game have been as fun? Would you have even be able to play the game? Just like it was important to tell the truth in this game, we need to remember is it important for us to tell the truth every day. At the end of the game, pray and ask God to help each person in the family remember to tell the truth.
