

God Is The Great Teacher, So I Will Use What I Have Learned!

From Allaso Ranch Lesson 8

LEADERSHIP TRAIT - WISDOM

Great leaders are learners, always seeking wisdom from every experience.

LEADERSHIP LESSON

Your children will learn that we should put into practice the things God teaches us.

LEADERSHIP STORY

Temptation of Jesus. (Luke 4:1-13)

WHAT DO I DO?

Have your children read the Leadership Story. Next, have your children watch the Leadership Video and complete the Child Leadership Questions. If you want to do the Optional Family Activity, have the whole family watch the Leadership Video, then lead your family through the Optional Family Activity.

OPTIONAL FAMILY ACTIVITY: HEART MAP

While Jesus spent time in the wilderness, He was tempted. When He was tempted, He used what He had learned to help Him. We can use what we have learned from God in the past to help us and to prepare for the future.

Have family members each draw a large heart on a piece of paper. Using their hearts, have family members create a map or drawing of their lives up to now. They should include important events, life-changing moments, and things that are important to them. Next to each event, have them write something they learned from God at that time, or how something they learned from God helped them through that time. When each heart map is finished, have family members share their hearts with the family. Explain that we should use what we learned from God in the past to help us in our lives today. Use the things you have learned, and continue to grow more like Jesus!

MEMORY VERSE:

Help your child memorize this verse.

"Keep putting into practice all you learned and received from me—everything you heard from me and saw me doing. Then the God of peace will be with you." Philippians 4:9 (NLT)

13. Who came to take care of Jesus after Satan left Him?

14. Jesus was able to avoid the traps and temptations that Satan was putting out for Him. How was He able to do that?

You can read the Bible just like Jesus did and it will help you know how to face anything - good or bad. One great way to really learn the Bible is to have a journal to write in. You can write down your prayers, things you learn as you read, and verses you want to memorize. The more you write down, the more you can use that knowledge in way that is pleasing to God. Ask your parents to help you find a journal so you can begin writing down things you learn in the Bible.

Memory Verse: Ask your parents to help you memorize this verse.
