Child Leadership Questions:

1. Nicodemus knew that God had sent Jesus to teach the people, so what did Nicodemus do to learn from Jesus?
   (Asked Jesus questions.)

2. Nicodemus listened to Jesus' answers and then he asked even more questions! What was Nicodemus doing?
   (Learning from Jesus.)

3. One of the things that Jesus was teaching Nicodemus was about God's Son. Jesus said that whoever believes in God's Son will have eternal life. Who was Jesus talking about when He said "God's Son"?
   (Jesus. Himself.)

4. Imagine your mom is trying to show you how to tie your shoes, but you want to go play with your toys. What should you do so you can learn?
   (Listen to my mom and follow her directions.)

5. Imagine that your older brother is reading you a story from the Bible, but there are parts that you don't understand. What can you do to help you learn?
   (Ask questions.)

OPTIONAL FAMILY ACTIVITY: I WILL LEARN!

Keep track of what you learn as a family this week. Using index cards, write down something each person in the family has learned every night at dinner. Put each of the index cards up somewhere in your home as a reminder of how much we learn each and every day. Use these cards to create discussions about why what you learned is important.

Take a moment each day to learn something new from the Bible. You could do a nightly devotional together as a family either at dinner or before you go to bed. Write down what you learn from the Bible on an index card and put it up with the others. Help your children understand that learning can take place anywhere and at anytime!

God made us to learn. We can learn by listening, asking questions, and studying the Bible.
