

**God Is Awesome,  
So I Will Worship Him!**  
**From Allaso Ranch Lesson 6**

**LEADERSHIP TRAIT - WORSHIP**

Great leaders give their very best in all they do as a form of worship to God.

**LEADERSHIP LESSON**

Your children will learn that God is worthy of our worship.

**LEADERSHIP STORY**

The Israelites build the Tabernacle. (*Exodus 25 and 40*)

**WHAT DO I DO?**

Have your children read the Leadership Story. Next, have your children watch the Leadership Video and complete the Child Leadership Questions. If you want to do the Optional Family Activity, have the whole family watch the Leadership Video, then lead your family through the Optional Family Activity.

**OPTIONAL FAMILY ACTIVITY: WORSHIP GOD**

The Israelites gave their own things to help build the temple. They didn't get to buy new things from a store or get them from a friend. They gave out of what they owned and they gave something that was probably special to them.

This week, as a family, choose something that everyone enjoys but also costs the family money. When you have decided what that something is, make a choice not to do it for one week. You might choose to give up a certain food, or to not go out for ice cream, or to not go out to see a movie on the weekend. At the end of the week, take any money you would have spent on that thing and give it to the church as an act of worship. Give to God because He is awesome and worthy of our worship.

**MEMORY VERSE:**

Help your child memorize this verse.

*"You are worthy, O Lord our God, to receive glory and honor and power. For you created all things, and they exist because you created what you pleased." Revelation 4:11 (NLT)*

2. What do they do in the worship center at camp each night?
3. As followers of God, what should we be doing?
4. When we worship God, we show Him how awesome He is and it tells him that we love Him. The people of Israel understood this. And because they understood how important worship is, God told the people of Israel something special in Exodus 25:8. What did He tell them?
5. God wanted to live among the people! That was exciting! Was the place that God would live going to be a special place or an ordinary place?

### From Allaso Ranch Lesson 6

6. God's House couldn't be ordinary, it had to be special. But the people were in the wilderness and weren't able to go shopping for supplies. Where did the people get the things needed to build the place where God would dwell?
7. What kinds of things did the people bring?
8. The people gave the very best things they owned and that was one way to worship God. Not only did the people give their things, but they gave something else. What was it?
9. The ones who could sew, sewed. The ones who could work with wood, built things. After the people finished building, something amazing happened. What was it?
10. When God's glory filled the Tabernacle, that meant that He was living among the people! Why did the people give the best of their things and their time to God and not someone else?
11. We can work hard and give God our best, too. What did Pastor Mike say we could do to worship God?

God is awesome and is worthy of our worship and the very best of what we have. Think of something you can give to God. You might give more than normal from your allowance or you could chose to spend some extra time at church helping clean up. Tell your parents what you want to do and ask them to help you do it this week. When you give to God, remember that you are worshiping Him because He is awesome and worthy of your worship.

**Memory Verse:** Ask your parents to help you memorize this verse.
