Recent Threats

- Mayor, council threatened
- Quite disturbing
- Government officials are protected

Hassling Me

- Detained 6 times by Sioux Falls Police
- Twice while running for exercise
- Twice cleaning a public sidewalk
- Once driving legally
- Once shoveling silt off bike trail
- 4 times, no citations
- City attorney cancelled 2 unjustified citations

Overzealous Police

- Shouldn't be a surprise
- A main point on my old campaign flyer
- “You're violating my rights”
- “I don't care”

Problems (personal experience)

- Withholding evidence from defense
- Assault, intimidation, threats
- Official perjury
- Deprivation of liberty
- Conspiracy to violate civil rights
- Conduct unbecoming police
- Biased jury selection

Who Protects Citizens?

- Government protects itself, not citizens
- Mayor is safe, I'm not
- Oath of office: uphold our Constitution
- 14th Amendment: equal protection under the law
