Getting It Right

- Study, analyze, consult
- Ideas evolve, mistakes happen
- I invite ideas from everybody
- Update again, it's ok

Update 1: New Homeless Shelter Housing Options

- Should be economical, modest, effective
- Tent, igloo, hut, tiny home, or motel?
- Hut my current recommendation
- Idea from Sierra Broussard
- See <https://komonews.com/news/local/huts-for-the-homeless-catching-on-in-the-northwest>

Update 2: Stormwater Management, City Building Standards

- Development drains stormwater at 80% of farmland rate – slower
- Because $80\% < 100\%$, development decreases flooding
- Correction by Andy Berg, city stormwater manager

Please Update Council Public Guidelines

- City ordinance 30.015 "Addressing the council ..."
- Sets policy for city council meetings
- Executive order 151 sets policy for CityLink
- Council meetings are on CityLink TV channel
- Please update both 30.015 and 151 to clarify applicability
- Only ordinance relevant in this situation
- Executive does not run the legislature
- Help from Bruce Danielson, Theresa Stehly
