May 2, 2017

Benefits

- Transportation
- Beauty
- Nature
- Exercise, health, vitality
- Happier city

Issues

- A bumpy section is being straightened
- Shuts down at 10 PM
- Should stay open much later
- Some bends hard to see at night
- A few more signs would help
- More is better!

My plans

MY PLANS AS MAYOR

As mayor of Sioux Falls, I will be able to make many wonderful changes. The first change will be a framework of GOVERNMENT FOR WE THE PEOPLE. Working with the people and city employees, we will revise city laws to protect civil liberties; we will revise laws to promote the common good. I am campaigning for THE COMMON GOOD of the city and for nothing less. We will have GOVERNMENT FOR THE PEOPLE, all the people, all classes, all economic levels, all religious and non-religious affiliations. EVERETT
God!

Government for the people (instead of government over the people) will mean: open records instead of government secrecy; open records instead of secret contracts; respecting the rights of all; fair bargaining with labor unions; realistic spending instead of wasteful spending on buildings; increased resources for better roads; and reasonable punishment for drug treatment programs will reduce crime and keep us all safer. City employees will promote economic growth and lower prison costs. I want to make

My plans

We can make Sioux Falls greener by expanding our lovely bike path

Good evening, enjoy nature :-)
