**GOVERNMENT
FOR WE THE
PEOPLE!**

What we have

- Government secrecy
- Unwise spending
- Official corruption
- Bumpy roads
- Too many prisons
- Militarized police

What we need

- Realistic spending
- Compassion
- Better roads
- Reduced crime
- Care for the Earth
- Treatment for addicts
- Fair trials
- Government for all

More democratic council meetings

- I want to share ideas
- I want to share power
- I want to share responsibility
- Rotate officiating duties
- Each of us officiates 1 month out of 9

My request

- Let's all work together
- Me, councilors, citizens
- Please review my draft flyer
- Counselors & mayor first
- Citizenry later

Time to dream, plan

- What can we *reasonably* hope to accomplish?
- We will have 4 years
- Annual budget of \$500,000,000
- 1,200 employees
- What can we accomplish?

Good evening, dream on :-)
