NANA ANNUAL MEMBERSHIP MEETING

***SEPTEMBER 30, 2022**

***7:00 PM.**

***AT THE SCHIMMING BUILDING, IOWA COUNT FAIR GROUNDS, MINERAL POINT, WI**

The North American Normande Association Annual Membership Meeting is scheduled for September 30, 2022, at the Iowa County Fairgrounds, 900 Fair St, Mineral Point, WI. We will be gathering in the Schimming Building on the fair grounds at 7:00 pm. Please let the NANA office know if you are coming so we can get a reasonable count on meals needed.

The Annual Membership Meeting will follow a provided meal. The meeting agenda includes election of members to the Board of Directors, Annual Association Report, Annual Registry Report, and anything else members wish to bring before the NANA membership.

Lodging is available at the Quality Inn (608-987-4747 or toll free 866-987-4747). Camping is available at the Iowa County Fairgrounds (608-987-3490); Lake Joy Campgrounds (608-762-5150); Governor Dodge State Park (608-935-2315); or Blackhawk Lake Recreational Area (608-623-2707). All are near or in Mineral Point. There are a number of Bread & Breakfasts in or near Mineral Point. They can be found on the Mineral Point, WI Chamber of Commerce website. There are also numerous places of lodging in Dodgeville and Platteville, as well.

We hope to see you there!

NORTH AMERICAN NORMANDE SHOW

Saturday, September 30, 2022

Iowa County Fairgrounds Mineral Point, Wisconsin

11:00 am

GENERAL RULES

- *Any Normande breeder or owner is eligible to exhibit at the show.
- *Cattle exhibited must be registered or eligible for registration in the North American Normande Association herd book
- *Cattle can arrive no earlier than 8 am Friday September 29, 2022.
- *Cattle will be released as soon as the show is over.
- *Exhibitors are expected to assist with the cleaning of the barns immediately after the show. (A skid steer and spreaders will be there to make it easier and quicker.)
- *Cattle must have at least 50% Normande genetics.

***IF ANIMALS ARE NOT YET REGISTERED THERE WILL BE
REGISTRATION APPLICATIONS AVAILABLE AT THE SHOW AND
CAN BE SUBMITTED TO THE NANA REGISTRY SECRETARY BEFORE 11:00 AM**

ON SEPTEMBER 30, 2022.

ENTRY FORM: See printed entry form just before the Classifieds. Remove, make more copies if needed, complete and mail to address below.

Entry deadline is September 17, 2022 and there is no entry fee. Entries will be accepted up until time of show for a late fee of \$5.00/animal, but the animal's information will not be in the show catalog. **Mail your entries to:**

**Brenda Conley
N2769 Tyler Rd.
Neosho, WI 53059**

Or Email to: hgholsteins@gmail.com

ANIMAL HEALTH REQUIREMENTS (See Wisconsin regulations below.)

JUDGING

- *Showmanship classes will be judged before placing classes.
- *Separate classes will be held for dairy and beef Normandes.
- *See entry form for class selections. If a class has less than 2 entries, it may be combined with another class. If a class has a large number of entries it may be split into two or three classes.
- *Class order will be Bulls, Heifers and Cows. During the show beef classes will show first and then the dairy classes. Beef classes are shown first and then the dairy classes. This is done to allow the dairy exhibitor's time to prepare their animals for showing since many of them may arrive the morning of the show.
- *Qualified judges will be hired to place each class.
- *Ribbons will be awarded to the first four places in every class and trophies/platters will be awarded to the Champion and Reserve Champion in each division.

FACILITIES

The Iowa County Fairground is located on Fair Street in Mineral Point, WI.
No bedding or feed will be provided; all exhibitors must bring their own.
RV or camper parking is available at the fairgrounds and several motels are located in Mineral Point.

WISCONSON HEALTH PAPER REQUIREMENTS

This is a summary of animal health requirements for fairs, shows and exhibitions only. They are not necessarily the same as requirements for importing animals into Wisconsin or moving them within the state for other purposes. They may change if animal diseases occur in Wisconsin or elsewhere, so you should always check Wisconsin's website (www.datcp.wi.gov) or contact them at 608-224-4872 for current information.

General Requirements

Animals that show evidence of having contagious or infectious diseases may not be commingled (or housed/kept) with other animals at a fair, show, or other exhibition in such a way as to allow disease to spread. Such animals should not attend the fair, show, or exhibition. Animals may be denied entry if they arrive at these events with contagious or infectious diseases, isolated and/or removed if they develop disease after arriving, or be subject to other action as would be necessary to control disease.

Bovine animals with ringworm, mange, warts or scab will be removed from the fair or exhibition premises, unless the veterinarian in charge finds warts or ringworm lesions are incapable of transmitting disease.

Cattle from within Wisconsin have no requirements for tests or health documents.

Cattle from outside Wisconsin must:

Be accompanied by certificate of veterinary inspection (CVI or health certificate)
documenting official animal identification (ID) and all required tests and certifications

Have at least one form of official individual ID (including steers)

Meet all of Wisconsin's normal requirements for import (see

https://datcp.wi.gov/Pages/Programs_Services/CattleBison.aspx)

Acceptable animal IDs for all cattle from outside Wisconsin:

USDA metal ear tag number that is part of the National Uniform Eartagging System (NUES)
(starts with state 2-digit code, also known as "brite" tag); this includes the orange brucellosis
vaccination tag

15-digit "840" tags (visual or RFID)

Valid only if applied before March 11, 2015:

a-Manufacturer-coded RFID tag - 15-digit number with the first three digits in 900s

b-American ID tag – 8 to 12-digit number prefaced with "USA"

Brucellosis requirements for cattle from outside Wisconsin: No cattle from outside Wisconsin are currently required to
be brucellosis tested or vaccinated to come to fairs and shows in Wisconsin

Tuberculosis (TB) requirements for cattle from outside Wisconsin: For requirements by state, see:

https://datcp.wi.gov/Pages/Programs_Services/CattleBison.aspx

**Cattle from Michigan's Modified Accredited Zone (for cattle from Michigan's TB Free Zone,
see requirements by state above) also need:**

Import permit

To originate from a herd that has a negative whole-herd TB test within 12 months before
arrival in Wisconsin that includes all animals 1 year and older

Negative individual TB tests within 60 days before entering Wisconsin

To return directly to the state of origin after the show, and there must be a statement on the
CVI that they will be doing so

For information on obtaining an import permit:

Online https://datcp.wi.gov/Pages/Programs_Services/AnimalMovementPermits.aspx

Email DATCPAnimalImports@wi.gov

Class 14	Dairy 3 year old in milk	born September 1, 2018 to August 31, 2019
Class 15	Dairy 4 year old in milk	born September 1, 2017 to August 31, 2018
Class 16	Dairy 5 year and older in milk	born before September 1, 2017
Class 17	Dairy Dry cow any age	born before September 1, 2020

GRAND CHAMPION DAIRY COW

RESERVE GRAND CHAMPION DAIRY COW

BEEF

Class 18	Beef Junior Bull Calf	born on or after January 1, 2022
Class 19	Beef Senior Bull Calf	born September 1, 2021 to December 31, 2021
Class 20	Beef Summer Yearling Bull	born May 1, 2021 to August 31, 2021
Class 21	Beef Junior Yearling Bull	born January 1, 2021 to April 31, 2021
Class 22	Beef Senior Yearling Bull	born September 1, 2020 to December 31, 2020

GRAND CHAMPION BEEF BULL

RESERVE GRAND CHAMPION BEEF BULL

Class 23	Beef Junior Heifer Calf	born on or after January 1, 2022
Class 24	Beef Senior Heifer Calf	born September 1, 2021 to December 31, 2021
Class 25	Beef Summer Yearling Heifer	born May 1, 2021 to August 31, 2021
Class 26	Beef Junior Yearling Heifer	born January 1, 2021 to April 30, 2021
Class 27	Beef Senior Yearling Heifer	born September 1, 2020 to December 31, 2020
Class 28	Beef Cow/Calf Pair	
Class 29	Beef Feeder Calf	born on or after January 1, 2022
Class 30	Beef Market Steer	born on or after January 1, 2021

GRAND CHAMPION BEEF FEMALE

RESERVE GRAND CHAMPION BEEF FEMALE

DAIRY GROUP CLASSES

Class 32	Best 3 Females	3 females, same farm prefix, 2 years and older
Class 33	Dam and Offspring	1 cow and her male or female offspring, any age
Class 34	Produce of Dam	2 offspring of same dam, any age, male or female

BEEF GROUP CLASSES

Class 35	Pen of 3 Bulls	3 bulls bred by same breeder, any age
Class 36	Pen of 3 Heifers	3 heifers bred by same breeder, any age

SHOWMANSHIP

Rules: a) There will be 2 divisions: Dairy and Beef.

b) There will be 3 age categories in each division:

Youth: any age up through 12 as of 10-01-2022

Teen: ages 13-19

Adult: ages 20 and over.

*Showmanship classes will be held **before** the regular placings classes.

*Ribbons will be given to the top four in each category.

*You do not need to sign up beforehand.

*You do not need to own the animal to show in the showmanship class.

FARM DISPLAY EXHIBIT

Rules: This category is for anyone who would like to bring Normandes to the show but feels uncomfortable with leading them in a show ring. No awards will be given, just an opportunity to showcase your cattle tied in the barn.

.....

2022 WISCONSIN FARM TECHNOLOGY DAYS

THIS IS NOT A RECENT PICTURE OF NANA'S BEEF TENT EXHIBIT. THIS PICTURE IS FROM 2016. WE WERE SO BUSY DURING THE SHOW WE FAILED TO GET A 2022 PICTURE, BUT IT DOES GIVE YOU AN IDEA OF WHAT NANA'S BEEF TENT EXHIBIT LOOKS LIKE

The Beef Tent at the 2022 Wisconsin Farm Technology Days had a very steady stream of visitors during the three day Wisconsin Farm Technology Days show near Loyal, WI. in July. The weather was very cooperative with very little rain during the day time hours of the show. And the result was a total attendance of over 40,000 people during its three day run in Clark county.

As part of its exhibit, NANA had a live cow/calf pair which drew a lot of attention

to NANA's exhibit. The Normande cow/calf pair was provided by Double M Cattle Company LLC from Rewey, WI, and many folks stopped just to pet the calf. Among those who stopped to pet the Normande calf were two young members of the campaign staff of U.S senatorial candidate Mandela Barnes, who was campaigning at the Wisconsin Farm Technology Days for one day.

Jerome Chateau of Normande Genetics assisted NANA with speaking with those interested in the Normande breed and fielding questions. Many of the questions centered around the amount of milk Normandes would produce and what their butterfat and protein tests were in comparison to other breeds. Normande Genetics has a fair number of clients in Clark and surrounding counties, and a good number of them stopped to talk Normandes. NANA thanks Jerome for assisting in fielding questions and promoting the Normande breed.

LOOK FOR US

The 2022 World Dairy Expo starts on Sunday, October 2, and concludes on Friday, October 7. There have been a number of changes to World Dairy Expo's schedule, including shortening the Trade Show to four days (Tues. – Fri.), of which NANA is a part, and ending the show on Friday instead of Saturday.

NANA's booth and exhibit will be in the Trade Center Building, not too far from the Food Court, and right beside the Outdoor Trade Mall. Because of the cost of having an exhibit booth at the World Dairy Expo, NANA was invited to merge their booth with Normande Genetics in order to make it less costly for booth rental and to share staffing of the booth.

We hope to see you when you stop at our booth!

.....

REGISTERED NORMANDE CATTLE FACEBOOK PAGE

If you participate in social media platforms then you may want to check out the Registered Normande Cattle group Facebook page on Facebook. NANA did not create this group Facebook page, nor does NANA administer it. A request to join the page will allow you to be able to view it and its contents/posts. There is no cost to join the group.

There are currently over 950 members from around the world. Not everyone on the page registers their Normande animals, but everyone on the page is enthusiastic about the Normande breed. Many pictures are posted. The page connects folks interested in the breed. The page seeks to educate members about the breed and so NANA occasionally responds to questions raised by page members. An example is this past spring an individual had asked what a Bull Performance Test was after a post about the St. Croix Valley Bull Test Sale had been posted. A brief explanation of performance testing of dairy and beef animals was provided. And an explanation that those performance evaluations were used by both dairy and beef producers to evaluate and improve the performance genetics of the breeders herd and the breed as a whole. Other times we may direct folks a site or someone who can answer their question. It is a nice group of people helping one another enjoy the Normande breed.

2012 NORMANDE FLASHBACK

The 2012 World Dairy Expo had a “Grazing Pavillion” that highlighted the grazing aspect of dairying and the various products/companies associated with rotational or intensive grazing. NANA had a live animal exhibit that drew a lot of attention from those who visited the Grazing Pavillion. The two cows on the left were provided by Vosberg Valley View Farm (Rudan Normandes owned by the Dan and Ruth Vosberg family from South Wayne, WI.) The two cows on the right were provided by New Hope Normandes (Karl and Barb Wogsland from Scandinavia, WI).

THE COVER

For Normande breeders raising their Normandes for beef, the calving season is pretty much completed unless the breeder is calving in the fall. Pictured on the cover of this issue of Normande Happenings are a couple of 2022 spring born Normande calves in the herd of Michael & Cynthia Morgan, (Morgan Meadows Normandes) of Prairie du Chien, WI.

The NANA office is looking for eye catching and attractive pictures of Normande cattle to use on the cover of future issues of "Normande Happenings". Please submit your picture(s) to the NANA office and if the editorial advisory board (my family) should choose your picture it will be on the cover of a future "Normande Happenings".

.....

NORMANDE HAPPENINGS is the official newsletter of the North American Normande Association published by the Association office four times per year. Active, associate and junior NANA members receive the newsletter as part of their dues. Non-members may subscribe for a cost of \$15.00/year.

GENETIC INFORMATION ON REGISTRATION PAPERS

For several years now NANA has been placing genetic information on animal's registration papers as long as it is submitted to NANA's office so the information can be entered into the Herd Book. The information we are talking about primarily is A2A2, A1A2, beta casein, and kappa casein.

A fair number of individuals contacting NANA about where they might be able to obtain some milking Normandes often specify they are looking for animals that are A2A2. Not knowing if you genetically test your animals for those genes, we can not direct them to you. This is especially true for those of you who are milking your Normandes. The inquiries are often from someone desiring a "family cow or two".

You as a breeder will need to determine if the genetic test is worth the expense. But we want you to be aware there are people looking for Normande females to milk that possess the A2A2 gene.
