# From The Agenda

- Item 6, Approval of Contracts
- Subitem 9, Hiring Woods, Fuller, Shultz, & Smith
- Why does the city need a law firm?
- Is someone suing the city?
- Who?
- Why?

# Some Background

- I was shoveling dirt off the bike trail
- Illegally detained by 4 pushy cops
- Received a contrived ticket for disobeying traffic control devices

# Issue 1: Firm Protects Perjury

- Cop wrote a bogus ticket, that's perjury
- I sued the city for violating my civil rights (again)
- Asked judge to arraign cop for perjury
- Lawyer said judge had no jurisdiction
- Law firm used unreliable perjured testimony
- See Zokaite vs Sioux Falls, case 4:19-cv-04183-KES

# Issue 2: Withholding Evidence

- Law firm encouraged withholding evidence from litigant (me)
- Introduced a motion 12-18-2019 to seal police & animal control records
- Sealed records are not available for court
- Violates right to fair trial
- See Zokaite vs Sioux Falls

# Issue 3: Misconstruing Rulings

- Various SD laws and ruling encouraged transparency and disclosure
- Law firm said they encouraged secrecy
- See Zokaite vs Sioux Falls

# Underlying Issue

- Law firm and city overly interested in pride, victory
- Forgot about civil rights and working for citizens

## Recommendations

- Fire this law firm
- Promote truth, justice, government for citizens

# Enjoy Our Town
