Spring Conferences: Our conference days will be Tuesday, May 3rd and Friday, May 6th. If you cannot attend an in person conference your teacher will make arrangements for a virtual conference. Our teachers look forward to having this opportunity to share with you the growth your child has made and make a deeper connection with our families.

Some of our students have been with us for four years and it is a teacher's dream to witness the growth that they make during that time. We will miss you lots, but hope that you will continue to keep us updated and stop back to say hello! We will also miss other families that will be moving on and extend our best wishes!
