

Santa Day: We are so excited that our school is lucky enough to have a visit from Santa! The children will visit Santa during their class time in the Gathering Room by the church on Wednesday, December 16th. The Great Beginnings class will have their special visit on Friday, December 18th. So wear your festive clothes and be on the lookout for pictures from this magical time!

Drop Off Line: The children were so excited to see some snowflakes already (not sure the adults had the same feeling). We appreciate everyone pulling up in the line. We will bring children out two at a time, so please continue to pull up and be patient while parents are getting their child in and out of their car seats. Also please be on time since children are anxious to see you and bundled up to go outside.

Amazon Smiles: Everyone shops with Amazon, so tell your family and friends to go online to Amazon Smiles and make MEEC their chosen charity. Most important thing is to remember to make your amazon purchases through the Amazon Smiles website and NOT their app. We have already generated almost \$300 since the beginning of the school year, so thanks very much!

COVID Protocol: We are very fortunate that no students or staff have contracted the coronavirus. We really attribute this to everyone's diligence in keeping children home with runny noses and coughs. The staff is also working hard to keep high touch surfaces cleaned regularly, not cross contaminating supplies, and constantly washing and sanitizing hands. Recently we sent an email in regards to two changes to our protocol. We will be using the gym area for both morning and afternoon classes. We also ask that if any family member in your home is in the process of getting a Covid test that you keep your child home until you have a negative result.
