## Wee-Threes Thur-Fri AM Class

Dear Families,

The children are continuing to exhibit tremendous growth and development this school year. They are enjoying making crafts, dancing and exercising to circle time songs, listening to stories, and following the obstacle course and activities during gym. All of this helps strengthen their fine and gross motor skills, as well as increases attention to task and following directions. We are very proud of their successes!

**On Friday, February 14<sup>th</sup>** we will be celebrating Valentine's Day by exchanging valentine cards and ending the day with a small party during snack time. *Please see the attached information for all the details.*

**Looking for a FUN date night?** Need a fun evening out with your spouse, friends, or family? Come to the annual MEEC Dinner and Auction fundraiser on Saturday, February 22nd! A delicious dinner is included. You can bid on any of the wonderful getaways, themed baskets, child friendly packages, just to name a few, or take a chance on winning a raffle prize. See Christie or Cindy in the office for tickets or more details.

**Shoe Reminder:** Now that we have been dealing with some snow, please remember snow boots should **not** be worn in the classroom and gym. The big clunky boots make it hard to sit properly at circle time and are not safe for the obstacle course in the gym. If your child wears boots to school, please also bring a pair of shoes to change into before entering class. (Their boots can be left in the hallway in front of the class)

---
