The REAL Money Doctor

Dr. Fred Rouse is the top Certified Financial Planner, small business, money, tax and life expert. He is an award winning international bestselling author of *The Soul of Success* with Jack Canfield. He's developed the course: *The REAL Money Doctor's Business Rx, 6 Essentials for a Healthy Business to Make Money* with the legendary Brian Tracy. This course helps aspiring as well as seasoned entrepreneurs take control of their business, cut their taxes and make more money while still having time to enjoy a personal life.

In his second bestselling book *Cracking the Code to Success* with Brian Tracy he highlights a simple blueprint to find 63% More Money for the Ultimate Secure Retirement© in less than 20 minutes a day even if people have zero business or investment experience so people can be financially independent and retire at an age young enough to enjoy it.
