Currently I only have a cheat sheet for TFT, but I have some plans for a few other features in the future. I hope you find cheat sheets useful when playing TFT. If you have any questions, comments or suggestions, feel free to send me a message! LoLCodex.com screenshot of Cheat Ark for TFT fates on [imgur.com/NeO9V0...](http://imgur.com/NeO9V0...) Page 2i [imgur.com/NeO9V0...](http://imgur.com/NeO9V0...) Hi! I took the time to create a google sheet with all the current elements and item combos with a list of all definitions for the items. If you are interested, the sheet can be found here. I have a video covering the sheet as well here.
