Seattle Textile Company affirms its products designated as such are RoHS compliant with respect to the maximum concentration values for the six substances shown in the table below:

Banned Substances	Maximum Concentration Value Allowed in Homogeneous Materials (PPM)
Cadmium (Cd)	100
Lead (Pb)	1,000
Mercury (Hg)	1,000
Hexavalent Chromium (CR ⁶⁺)	1,000
Poly Brominate Byphenyls (PBB)	1,000
Poly Brominated Diphenyl Ethers (PBDE)	1,000

This declaration is based on Seattle Textile Company's current understanding of the RoHS Directive and information provided through supplier material declarations pertinent to the ingredients and materials comprising subject Seattle Textile Company products.

Scott Kaczmarek
 Seattle Textile Company Certification Specialist - January 1, 2013

Important information:

Seattle Textile Company bases its knowledge and belief of RoHS compliance on information provided by third parties, and makes no representation or warranty as to the accuracy of such information beyond that implied or expressed in (1) various legal and technical opinions on the likely interpretation of EU legislation, and (2) supplier material declarations. Seattle Textile Company continues to take steps to provide accurate information but may not have conducted destructive testing on homogeneous materials.
