In My Weakness, It's Your Strength That Carries Me
In My Secrets, Your Forgiveness Sets Me Free
In My Worry, Your Courage Leads Me Through
I Was Dirty, But Your Mercy Made Me New

In My Weakness, It's Your Strength That Carries Me
In My Secrets, Your Forgiveness Set Me Free
In My Worry, Your Courage Leads Me Through
I Was Dirty, But Your Mercy Made Me New

In All Of My Days, In Every Way
I Know You Are All That I Need

Surrendered, Lord, We Give You All We Are
Surrendered, Lord, We Give You All We Are
And Your Love Is All That We Are Living For
We Give You All We Are Cause All We Are Is Yours

In My Darkness, It's Your Light That Helps Me See
In My Foolishness, Your Grace Holds Onto Me
In My Blindness, Your Compassion Breaks My Pride
In My Sin, It Was Jesus Crucified

In All Of My Days, In Every Way
I Know You Are All That I Need

Surrendered, Lord, We Give You All We Are
Surrendered, Lord, We Give You All We Are
And Your Love Is All That We Are Living For
We Give You All We Are Cause All We Are Is Yours

Be Praise And Honor
And Glory And Power
Forever And Ever Amen

Be Praise And Honor
And Glory And Power
Forever And Ever Amen

Be Praise And Honor
And Glory And Power
Forever And Ever Amen

Be Praise And Honor
And Glory And Power
Forever And Ever Amen

Be Praise And Honor
And Glory And Power
Forever And Ever Amen
