Do You Not Know And Have You Not Heard?

The Lord Is The Everlasting God
Creator Of The Ends Of The Earth

Do You Not Know And Have You Not Heard?

He Summoned Creation By The Power Of His Words
Who Has Measured The Waters With Hollow Of His Hand?
And Has Told Every Mountain Where He Wants It To Stand?

Do You Not Know And Have You Not Heard?

He Sits High Enthroned Above The Circle Of The Earth
Who Calls Out The Stars Each Named One By One
And With Greatest Regard Has Misplaced Not A One

So Why Do You Worry, And Why Are You Stirred?

Who Unfurled The Skies And Founded The Earth?
Who Created All Things And All Things Made To Serve?
Oh Do You Not Know And Have You Not Heard?

Do You Not Know And Have You Not Heard?

He Was Nailed To A Cross For The Sins Of The Earth
What Was Yours And Mine To Suffer For The Err Of Our Ways
He Was Sent By The Father To Stand In Our Place

He Was Pierced, He Was Crushed, He Was Wounded And Shamed

By Oppression And Judgment He Was Taken Away
Like A Lamb To Be Slaughtered, Though He Did Not Refrain
For His Glory Would Come When He Conquered The Grave
Oh His Glory Would Come When He Conquered The Grave
And His Glory It Came When He Conquered The Grave
By His Wounds We Are Healed And His Power We're Saved

Do You Not Know And Have You Not Heard?

The Lord Is The Everlasting God
Creator Of The Ends Of The Earth
