

**Never Giving Up** by Fellowship Creative

Though we walk through darkest valleys  
In Your light, we will remain  
Though tomorrow is uncertain  
O God, You never change

No, You never let go  
No, You never give up  
You're our shield in the fire  
You're our rock in the flood  
No, You're never surprised  
No, You never are moved  
You're our God who can't be shaken  
We will trust in You

We will rise with the Risen Son  
And we will fight, but the battle's won  
And we will see Your glory dawn  
Let Your Kingdom come  
Let Your will be done  
We're never giving up

Though the storms may rage upon us  
There's a calm found in Your love  
And though a war may wage against us  
We will not be overcome

'Cause You never let go  
No, You never give up  
You're our shield in the fire  
You're our rock in the flood  
No, You're never surprised  
No, You never are moved  
You're our God who can't be shaken  
We will trust in You

We will rise with the Risen Son  
And we will fight, but the battle's won  
And we will see Your glory dawn

Let Your Kingdom come  
Let Your will be done  
We're never giving up

No matter what may come  
This love can't be undone  
We will never stop singing  
We will never stop living for You

Through hurt and suffering  
Your faithfulness remains  
We will never stop believing  
We will never stop living for You

We will rise with the Risen Son  
And we will fight, but the battle's won  
And we will see Your glory dawn  
Let Your Kingdom come  
Let Your will be done  
We're never giving up  
Let Your Kingdom come  
Let Your will be done  
We're never giving up
