

Lead Me by Fellowship Creative

You lead me through the fire
You lead me through the storm
You lead me through the desert
To show me You are Lord

You lead me through the blessing
You lead me through the loss
You lead me through the valley
To show me mountaintops

O, You lead me

So take my heart into Your hands
Your ways are higher, I can't understand
One thing I ask, one thing I seek
O, lead me

You lead me through the chaos
You lead me to be still
You lead me beside still waters
'Til my heart is overfilled

O, You lead me
Lord, You lead me

So take my heart into Your hands
Your ways are higher, I can't understand
One thing I ask, one thing I seek
O, lead me
O, Lord, lead me

With Your kindness, with Your furious love
With compassion that will not give up
With Your mercy, with Your wondrous grace
Lord You lead me, O, You lead me

With a strong hand, with authority
With Your power, with Your majesty
With Your justice, with Your glorious light
Lord You lead me, O, You lead me

So take my heart into Your hands
Your ways are higher, I can't understand
One thing I ask, one thing I seek

O, lead me

So take my heart into Your hands
Your ways are higher, I can't understand
One thing I ask, one thing I seek
O, lead me
O, Lord, lead me
Father, lead me
Spirit, lead me
Jesus, lead me
