

Holding Onto You by Fellowship Creative

When the mountains are all I see
When the struggle is greater than me
And when the road is long
And my strength grows weak
Jesus, You're always there with me

Give me faith that doesn't break
Give me trust that doesn't move
I am holding on Your word
I am holding on Your truth
I am holding onto You

When You call me into the unknown
Every step I take, I'm not my own
And in the crashing waves, in the raging sea
Jesus, You're always there with me

Give me faith that doesn't break
Give me trust that doesn't move
I am holding on Your word
I am holding on Your truth
I am holding onto You

When we stand on the rock of Your love
We have more than enough
When we stand on the rock of Your truth
We cannot be moved

When we stand on the rock of Your love
We have more than enough
And when we stand on the rock of Your truth
We cannot be moved

Give me faith that doesn't break
Give me trust that doesn't move
I am holding on Your word
I am holding on Your truth
I am holding onto You

Give me hope to climb this mountain
And all the strength to not let go
I am holding on Your word
I am holding on Your truth
I am holding onto You

I am holding on Your word
I am holding on Your truth
I am holding onto You

Jesus
The only thing I'll ever need is Your love
It's overtaken me, I can't believe I'm free
You died and rose again for me
No I'll never look back, I'll never look back again

Jesus
The only thing I'll ever need is Your love
It's overtaken me, I can't believe I'm free
You died and rose again for me
No I'll never look back, I'll never look back again

Jesus
The only thing I'll ever need is Your love
It's overtaken me, I can't believe I'm free
You died and rose again for me
No I'll never look back, I'll never look back again

When we stand on the rock of Your love
We have more than enough
And when we stand on the rock of Your truth
We cannot be moved
