

King of Heaven by Fellowship Creative

The sound of heaven starts
A peace awakes my heart
Holy, holy
The echoes of Your grace
Changes everything
Holy

We're going to sing
Ourselves into His presence

Hallelujah
All creation sings
Hallelujah
Worthy is the King of heaven

The sound of heaven starts
The song of rescued hearts
Holy, holy
Your presence fills this place
And shatters every chain
Holy

Hallelujah
All creation sings
Hallelujah
Worthy is the King

Hallelujah
All creation sings
Hallelujah
Worthy is the King of heaven

King of heaven
In Your presence
Here with heaven
We worship You
We worship You

King of heaven
In Your presence
Here with heaven
We worship You

We worship You

King of heaven
In Your presence
Here with heaven
We worship You
