

Forever Family Foundation Volunteers

Did you know that Forever Family Foundation is a 100% volunteer organization? That means that not a single person in this entire organization gets paid. All of the wonderful work that has been accomplished over the years since our recognition as a not for profit 501 (c) 3 organization in 2004 has been done by people of common interest coming together to get the word out...and get the work done.

As Forever Family Foundation continues its global growth, more and more volunteers are needed around the world, not just for creating events, but for the more important work that takes place behind the scenes.
