A Message from Your President: Dennis Millinoff

It’s March and the idea of chilly days and nights disappearing still seems a long way off. The official astronomical start of spring is Tuesday March 20th. That starts the clock on the 2018 Farmington Glen summer season because:

- Our 2018 Farmington Glen annual spring membership meeting is on Monday March 26th at 7pm in the Auditorium of the Farmington Hills Main Library on 12 mile. We hope to see you there.
- The pool cover comes off and the pool pumps start up on Monday April 23rd
- The Glen spring work day will be held on Saturday May 5th
- In-service training for our Staff and Lifeguards is scheduled for Saturday May 12th at The Glen
- Swim Team practice starts on Monday May 14th

Unlike previous years of Glen improvements, such as:

- A rebuilt clubhouse
- Refinished pool surface
- New picnic tables and chairs
- And a commercial children’s playset,

2018 Glen upgrades will be mostly behind the scenes. Those improvements include an upgrade to the plumbing and electrical systems to increase efficiency and reliability. Trees and bushes will be trimmed and dead trees will be removed. If some of you thought your vision was getting a bit fuzzy with blurred lines in The Glen parking lot cancel your appointment with the eye doctor. We will be resealing and restriping our parking area in front of the clubhouse.

Future plans for improvements will be discussed at the annual meeting on Monday March 26th.

We continue to build a strong Glen team. Pool manager Greg Phill will be returning for his fifth summer. Greg’s 30 plus years of experience managing pools has insured that our pool is safe, clean and open for our member’s enjoyment.

Please assist Greg and his staff by taking the time to review the pool rules and guidelines with your family so we can all enjoy our time at the pool.

Drew Hansz and his coaching staff will return to lead the Farmington City Champ Glen Swim Team. We are fortunate to have one of Michigan’s top swim coaches and his staff spending their summers coaching at The Glen.

The Board of Directors, Managers and Staff have been working since closing day last September to ensure our members will have a Great Glen Experience during the 2018 summer season. If you have any suggestions or comments, the manager and assistant manager are on duty and the board is always here for you.

From all the Glen Board of Directors and Club Staff we look forward to a great 2018 season.

See you at The Glen!

Pre-Season Work Day – May 5th

Hello everyone!

Spring is here - and you know what that means. It is the annual Spring Cleanup Day at the Glen. This year, we will only be offering one cleanup day - Saturday May 5th from 9:00 a.m. to 1:00 p.m. The focus for this year's cleanup is going to be cleaning of the clubhouse, snack bar, and setup of the pool deck as well as setting up new picnic tables.

We may also need some help with other various projects.

You must sign up to be eligible to participate, and must be current on all dues payments. Once signed up, you MUST check-in and check-out with Pool and Grounds personnel on clean-up day to receive credit.

Happy New Year to all of our Glen friends & family!

This past season, in conjunction with Social, we hosted a Friends & Family Day. We marketed the club through social media, local businesses, schools, and community organizations. We passed out flyers at the Memorial Day parade again this year. We also offered private tours often to people interested in membership to the Glen. Private tours are also offered off-season for families that inquire.

Moving into the summer of 2018, I'm happy to say that our membership continues to be strong! For the past few summers, we have been selling around 30 or more bonds per season. Our membership continues to thrive due to our best advertisers...YOU! Continue to tell your friends, family, neighbors, and co-workers about our little slice of paradise here at the Glen!
