About the Federation of Genealogical Societies (FGS)

The Federation of Genealogical Societies (FGS) was founded in 1976 and represents the members of hundreds of genealogical societies. FGS links the genealogical community by helping genealogical societies strengthen and grow through resources available online, *FGS Forum* magazine (filled with articles pertaining to society management and genealogical news), and Society Strategy Series papers, covering topics about effectively operating a genealogical society. FGS also links the genealogical community through its annual conference -- four days of excellent lectures, including one full day devoted to society management topics. To learn more visit <http://www.fgs.org>.
