General Price List

Effective November 25, 2017. Prices are subject to change without notice.

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

Professional Services of Funeral Director and Staff: \$895

Our fee for the services of Funeral Director and staff includes, but is not limited to, staff to respond to initial request for services; arrangement conference; arrangement of funeral; preparation and filing of necessary authorizations and permits; recording vital statistics; preparation of obituary notices; staff assistance prior to, during and following; coordination with those providing other portions of the funeral, e.g. cemetery, crematory and others. Also included in these charges are overhead expenses relative to providing goods and services such as insurance, maintenance and utilities expenses, secretarial and administrative cost, equipment and inventory cost. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials and forwarding or receiving remains.)

Preparation:

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.

Outer Burial Container & Urn Price List

These prices are effective as of November 25, 2017 and are subject to change without notice

Outer Burial Container:

State or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.
