

OUR HERITAGE COLLECTION

Burial Package Selections

The Heritage Eternal - Bronze \$21,995.00

This package does not include all cash advance items: i.e., death certificates, paid funeral notices, cemetery charges, gratuities and all other third party charges.

Service held Monday through Friday, weekend and holidays may have additional charges.

– Caskets must be selected from our website due to availability. –

2298 Coral Mist 2704 Pink Premium Velvet, Bronze

2462 Trojan Gunmetal 1426C White Velvet, Bronze

Bronze, a semi-precious material is an alloy of copper, zinc, and tin. It is the strongest and most enduring of any casket construction material.

Bronze is resistant to corrosive elements, an important consideration in selecting a casket. Bronze caskets are available in a hand brushed finish or painted finish. Bronze makes an elegant, exquisite remembrance.

Services Include:

- Basic Services of Funeral Director and Staff
- Embalming
- Cosmetology, dressing and casketing of remains
- Transfer of Remains to Funeral Home (Within 25-miles local service radius)
- Use of facilities and staff for viewing (one day)
- Use of facilities and staff for funeral service
- Equipment and staff for graveside services
- Casket
- Vault
- Lead/Clergy Car
- Funeral Coach (hearse)
- Limousine (one car) 3 Hours
- Errand Car (Flower Car)
- Premium Register Book Package
- Video Tribute (50 pictures and 2 songs)
- Dove Release

The Heritage Eternal Copper \$17,995.00

Copper is considered a precious metal and evidence of its longevity rests in the original copper roofs and pipes existing on the world's great architectural gems. It is resistant to corrosion. Copper is one third stronger than stainless steel and available in a 32 ounce weight. Finishes are hand brushed or painted and applied by skilled artisans. This natural and precious metal expresses a remarkable life.

*This package does not include all cash advance items: i.e., death certificates, paid funeral notices, cemetery charges, gratuities and all other third party charges.
Service held Monday through Friday, weekend and holidays may have additional charges.
– Caskets must be selected from our website due to availability. –*

The Heritage Eternal

Stainless Steel - \$14,995.00

Stainless steel is an alloy metal. It's strength and longevity derive from additions of chromium and nickel to carbon steel. The chromium protects against rust and oxidation. Stainless steel is 8.3 times longer lasting than 16 gauge carbon steel. Aurora applies hand brushed or painted finished to its stainless steel caskets. Skilled painters apply each coat by hand, then reheat top coat, letting it harden into a smooth as glass finish.

This package does not include all cash advance items: i.e., death certificates, paid funeral notices, cemetery charges, gratuities and all other third party charges.
Service held Monday through Friday, weekend and holidays may have additional charges.
– Caskets must be selected from our website due to availability. –
