INTRODUCTION

We at *Carpenter-Jenks Funeral Home & Crematory* offer many options for services, visitations, and viewings to meet a grieving family's needs. Whether the planning includes burial or cremation, one of our highly trained and professionally licensed funeral directors will guide you in the decision-making process.

Believing an informed decision is always best, we have created this "General Price List" booklet to present a family with a comprehensive overview of the costs associated with the professional services, use of our facilities, and merchandise we offer.

The individual goods and services shown within this booklet are those we can provide to a family. You may choose only the items you desire. However, any arrangements you select will include the charge, or portion thereof, for the "Basic Services of Funeral Director & Staff and Overhead". If legal or other requirements mean you must buy any items you did not specially ask for, we will explain the reason(s) in writing on an itemized statement describing the funeral goods and services selected.

If you have any questions concerning the information contained in this booklet, please do not hesitate to ask your funeral director to review it with you.
